

UNITED WAY
York County, SC

UNITED WAY OF YORK COUNTY ANNUAL REPORT 2025-2026

A NOTE FROM THE PRESIDENT

Dear Friends,

As we reflect on the past year, every number in this report tells a story of lives changed and a shared commitment to strengthen our community. Together, we demonstrated the power of coming together to address critical needs and we are grateful for your support to make this work possible.

We know that 31 percent of working families in York County with at least one worker don't earn enough to cover the basics of living and that 50 percent of children here in our community grow up in a household that struggles to pay their bills. These are painful statistics. They are hard to ignore, and you are helping us change this little by little. The strategies we have implemented are working. The results prove it, but most of all, those we have the privilege to serve are the living testament that change can happen when we work toward a common goal which is helping families become financially stable.

We all face challenges every day, but when we think of families struggling most in York County, even among those who are employed, many don't have room in their budgets to build a savings account or to address emergencies that happen far too often. You are helping to lift our neighbors who are hidden in plain sight, so they don't end up in crisis.

Our 2025-2026 Annual Report highlights the efforts made in championing resources to empower families to thrive not just survive. We thank you for standing by our side.

Gratefully,

Rebecca Melton

Rebecca Melton
President

UNITED WAY
York County, SC

UNITED WAY
York County, SC

GROUNDED IN EQUITY

The present-day reality in the United States is that bias based on race/ethnicity, gender, gender identity, sexual orientation, age, and ALL other identities impacted by systemic, institutional, and historical barriers have created lasting inequities and pose ongoing barriers to enabling everyone to live an equitable, respectful, and fulfilling life.

United Way of York County, SC recognizes that improving lives in the communities we serve means we must explicitly focus on removing these barriers for ALL community members, especially those whose voices have traditionally been marginalized.

For this reason, we have a responsibility and are committed to equity in our programming.

This work includes addressing systems, policies, practices, belief systems, and attitudes that have served to privilege some and disenfranchise others. Only through an intentional focus on removing barriers can we aspire to create the conditions that allow everyone the opportunity to thrive.

For more information, visit: https://www.unitedwayofyc.org/dei-work/

MISSION: HELP YORK COUNTY FAMILIES ACHIEVE FINANCIAL STABILITY BY 2030

OUR MISSION

United Way of York County's mission is to help York County families achieve financial stability.

A financially stable family has enough resources to meet its needs without public support. This term goes beyond the issue of poverty. Helping families and individuals become financially stable is a long-term solution.

To move the needle in leading families toward financial stability, we are removing barriers to help low-to-moderate-income families more easily access and navigate services to reach financial stability. An individual's path to self-sufficiency is often filled with obstacles that can slow or even prevent them from escaping financial instability.

Through our **Power to Thrive** Impact Work, we are focusing our resources where the greatest impact can be made to eliminate the complex hurdles limiting families to simply surviving instead of truly thriving. We do so by focusing our efforts in the following focus areas:

WORKFORCE DEVELOPMENT

GOAL

Connect individuals to education, job, and training opportunities to earn a livable wage.

SUCCESS INDICATORS

- # of participants who obtained employment
- # of participants still employed at 3, 6, and 12 month checks
- # of participants who increased their income
- # of participants who earned a license, certification, or credential

FINANCIAL LITERACY

GOAL

Increase knowledge of effective financial practices in order to achieve financial goals and stability.

SUCCESS INDICATORS

- # of participants who are consistently following a budget
- # of participants who increased their credit score and/or asset ownership
- # of participants who decreased their debt
- # of participants who achieved financial stability

ECONOMIC & FAMILY SUPPORT

GOAL

To support families along their path to financial stability with case management and resources.

SUCCESS INDICATORS

- # of participants engaged in identifying/establishing personal goals
- # of participants who are actively engaged in case management
- # of participants who receive incentives or direct support to overcome barriers to financial stability
- # of participants who report being able to pay their bills on time

THANK YOU TO OUR MISSION PARTNERS

DUKE ENERGY®

Publix®

OUR WHY: ALICE

ALICE®, an acronym for **A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed, is a new way of defining and understanding the struggles of households that earn above the Federal Poverty Level (FPL), but not enough to afford basic necessities.

For far too many families, the cost of living outpaces what they earn. Yet these workers perform jobs that are critical to the functioning of our local communities – educating our children, keeping us healthy, and making our quality of life possible. When funds run short, these households are forced to make impossible choices, such as deciding between quality childcare or paying the rent, filling a prescription, or fixing the car. These short-term decisions have long-term consequences not only for ALICE families but for all of us.

31%

Of working families with at least one worker don't earn enough to cover the basics of living.

69%

Of single-female-headed (with children) households don't make enough to make ends meet.

50%

Of children grow up in a household that struggles to pay their bills.

In 2024, the Household Survival Budget for a family of four per year is $78,372 in York County (well above the FPL of $33,000 for a family of four). Oftentimes, when families earn above the FPL, they are ineligible for typical assistance.

UWYC serves individuals and families who find themselves in this gap of earning above the FPL, but still not enough to make ends meet and who need support in reaching a place of financial stability.

The strength of York County's economy is tied to the financial stability of all residents. ALICE workers are critical to the smooth running of our economy. Intervention is needed across the board- business, government, nonprofit, and educational institutions- to set the groundwork for an equitable future for ALICE.

To learn more about ALICE, visit, unitedwayofyc.org/alice

We would like to thank **Skyla Federal Credit Union**, whose sponsorship makes this crucial data accessible to our community.

FINANCIAL STABILITY PROGRAMMING

According to the 2026 State of ALICE in South Carolina report, 31% of York County households live below the ALICE (**A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed) Threshold.

United Way of York County (UWYC) is committed to helping low-to-moderate-income families overcome financial barriers and build pathways to lasting financial stability.

We use the **Results-Based Accountability (RBA) framework** to ensure our resources create the greatest measurable community impact. RBA focuses on moving from conversations about problems to data-driven actions that solve them.

It measures success by asking three key questions:

- **How much did we do?**
- **How well did we do it?**
- **Is anyone better off?**

One way we address these challenges is through our Financial Stability Partner Grants, which support community organizations working to remove barriers, provide essential resources and help York County families achieve long-term financial stability. In 2025-2026, grants were given in United Way of York County's 3 Impact Pillars:

WORKFORCE DEVELOPMENT

FINANCIAL LITERACY

ECONOMIC & FAMILY SUPPORT

WORKFORCE DEVELOPMENT

UNITED WAY York County

UWYC connects individuals to a sustainable career path. Workforce Development services help individuals identify and access job trainings, complete vocational, degree, or credential programs that help them to achieve their goals, and gain employment with a livable wage.

INTENDED RESULTS

Provide clear education paths for adults seeking employment.

Improve technical and soft skills among unemployed/ underemployed.

HOW MUCH DID WE DO

782 participants received support with unemployment or underemployment

138 participants enrolled in a vocational degree, license, certificate, or credential program

HOW WELL DID WE DO IT

89% of participants completed their soft skills training program

44 individuals earned a license, certificate, degree, or credential

IS ANYONE BETTER OFF

93 participants increased their income

152 participants gained employment

FINANCIAL LITERACY

UNITED WAY York County

Families who have financial literacy skills are more likely to make wise financial choices. UWYC links families to financial education and services to give them the financial tools and resources they need to meet their monthly expenses, save for the future, and plan their path to financial stability.

INTENDED RESULTS

Increase basic financial literacy among members of our community.

Encourage savings and asset development in low-to-moderate income households.

HOW MUCH DID WE DO

933 participants received financial literacy support

777 participants took advantage of a financial literacy course or coaching

HOW WELL DID WE DO IT

74% of participants completed their course or coaching program

IS ANYONE BETTER OFF

152 families decreased their debt

456 individuals created and are following a budget

591 individuals opened or maintained a checking or savings account

ECONOMIC & FAMILY SUPPORT

UNITED WAY
York County, SC

Foundational to families achieving economic mobility is their ability to pay for basic needs--things like housing, food, utilities, childcare, and transportation. Every day, there are many families in our community on the verge of losing their homes or unable to purchase groceries. There must be a strong safety net of service providers in place to assist these families in overcoming barriers so they can move toward self-sufficiency.

INTENDED RESULTS

Connect individuals and families to support services that reduce barriers to achieve financial stability.

HOW MUCH DID WE DO

1378 participants received case management services

1030 participants are actively taking steps in identifying and taking steps to achieving their goals

HOW WELL DID WE DO IT

647 participants received incentives or direct support to overcome barriers.

558 participants were referred to other providers or programs for wrap-around or continued services.

IS ANYONE BETTER OFF

383 participants are consistently able to pay their bills on time

365 participants received rent or mortgage assistance

89 participants reported that they have achieved financial stability.

FINANCIAL STABILITY NETWORK

UNITED WAY York County, SC

POWER TO THRIVE

The Financial Stability Network provides access to one-on-one financial coaching and wrap-around case management services designed to help ALICE individuals and families reach their goals and reach financial stability.

Certified Financial Social Workers guide participants through financial literacy and workforce development opportunities, while building relationships to better understand what would best support each participant in reaching their goals.

IN THE 2025-2026 PROGRAM YEAR:

- **14** participants engaged in financial coaching
- **13** participants opened or maintained a checking/savings
- **15** participants are actively engaged in case management or coaching
- **4** participants increased their credit score
- **6** participants are consistently following a budget
- **5** participants decreased their debt
- **8** participants demonstrate an increased knowledge in financial literacy
- **5** participants increased their asset ownership
- **5** participants maintain a minimum $300 balance in a savings account
- **6** participants report always being able to pay their bills on time

MONEY WORKS FINANCIAL LITERACY PROGRAM

Money Works program is structured to provide financial education for working families. Through these individualized relationships, clients gain the skills necessary to make their financial goals a reality. In partnership with The City of Rock Hill, United Way staff worked to develop a financial literacy program. Based on the FDIC's evidencebased curriculum, Money Smart, Money Works is a "choose your own path" program that allows clients to customize their experience based on their financial knowledge and skills, as well as their long-term goals.

Module 1: Money Values & Influences
Module 2: Income & Expenses
Module 3: Spending & Saving Plan
Module 4: Banking
Module 5: Savings
Module 6: Credit Reports & Scores
Module 7: Managing Debt
Module 8: Buying a Home
Module 9: Foreclosure Prevention
Module 10: Building Your Financial Future

UWYC COMMUNITY PROGRAMS

BARRIERS TO EMPLOYMENT PROGRAM

Launched during the 2025–2026 fiscal year, UWYC launched the Barriers to Employment initiative which provides short-term financial assistance to individuals who have secured employment but face immediate obstacles that could delay or prevent them from starting or maintaining their new positions. **Beginning in April 2026, through June 2026, the program served 4 unique participants, providing $2,819.57 in direct client assistance**. Funds were used to address employment-related barriers such as transportation, footwear, and other essential expenses that support successful workforce entry and retention. By helping participants overcome these immediate challenges, the initiative empowers individuals to begin employment, earn sustainable income, and continue progressing toward long-term financial stability

SUCCESS SNAPSHOT

JOHNATHAN'S STORY

UNITED WAY
York County, SC

BUILDING A FUTURE, ONE STEP AT A TIME

Sometimes the barrier between having a job and being able to take that job is surprisingly small. Consider Johnathan's story.

When Johnathan was offered a new job, he didn't hesitate. He said yes. As a single father, saying yes meant more than accepting a job–it meant creating a brighter future for himself and his children. Then, reality set in.

Before he could earn his first paycheck, Johnathan needed enough gas to get his 2 children safely to childcare and himself to work. He also needed a pair of work shoes so he could walk through the door on his first day ready to succeed.

None of those barriers were permanent. But together, they were enough to keep him from getting started.

Through a referral to United Way of York County's Barriers to Employment initiative, Johnathan connected with a Certified Financial Social Worker who helped navigate the immediate barriers. Today, through United Way's Financial Stability Network, he's building a plan that will help create long-term financial stability for himself and his family.

Johnathan found more than assistance. He found a community that believed he was worth investing in. That's exactly what your leadership makes possible.

Scan the QR Code to learn more about Johnathon's success in the Barriers to Employment program.

UNITED WAY
York County, SC

UWYC COMMUNITY PROGRAMS

CHILDCARE ASSISTANCE

United Way of York County assisted in providing Childcare Assistance for **York Technical College students** over the course of their academic years. UWYC provides scholarship assistant to supplement childcare costs for the 40 weeks of the school year. Prior to entering this program, students either had a friend, family or neighbor caring for their child or were taking online courses while caring for children at home. 100% of qualifying students increased their GPA and report lower stress levels once safe, secure and reliable childcare was secured.

WOMEN UNITED IN HER CORNER BREAKFAST

At its Women United breakfast, United Way of York County launched **In Her Corner**, a campaign that ran throughout May 2026 in recognition of Mother's Day. The event highlighted how access to reliable, affordable childcare can be a barrier to education and career advancement for parents across York County. Building on UWYC's Childcare Assistance program, the campaign invited the community to help parents continue their education, pursue career goals, and build greater financial stability for their families.

UWYC COMMUNITY PROGRAMS

2-1-1

In September 2007, UWYC established this county-wide, federally designated calling code to provide local residents access to comprehensive information and referral for health and human services. United Way's 2-1-1 is a confidential and free service that is staffed 24/7 with an easy to remember number.

During the 2025–2026 fiscal year, York County residents made 2,742 calls to 2-1-1, resulting in more than 5,067 identified community needs and referrals to appropriate local agencies and organizations. An additional 369 residents received assistance and resource connections through text messaging. In addition to phone and text support, more than 4,987 connections to local resources were made through the 2-1-1 website during the 2025–2026 fiscal year.

COMMUNITY SIMULATIONS

Our interactive simulations provide participants with a firsthand look at the challenges many ALICE households face every day. **The Household Survival Simulation** explores the difficult decisions families make as they balance income, expenses, and everyday needs with limited resources. **The Financial & Community Resilience Simulation** looks beyond the household budget to explore how resources, relationships, and community connections help families navigate challenges involving employment, childcare, transportation, healthcare, and unexpected expenses. Together, these immersive, real-world experiences deepen understanding of financial hardship and the difficult decisions families must make, and highlight the vital role community resources and partnerships play in creating pathways to lasting financial stability.

COMMUNITY RESILIENCY

EMERGENCY FOOD SHELTER NATIONAL BOARD

The Emergency Food and Shelter National Board Program (EFSP) is a federal program administered by FEMA "to supplement and expand ongoing efforts to provide shelter, food and supportive services" for the nation's hungry and homeless, and people in economic crisis. United Way of York County is responsible for managing a local EFSP board whose role is to advertise the availability of funds, establish priorities among community needs, allocate funds to non-profit and government emergency food and shelter agencies, and help monitor program compliance. United Way of York County is still awaiting further guidance for Phases 42 and 43.

YORK COUNTY COMMUNITY ORGANIZATIONS ACTIVE IN DISASTER (YC-COAD):

YC-COAD brings community organizations together to strengthen York County's ability to prepare for, respond to, and recover from disasters. Through training, collaboration, and open communication, YC-COAD builds stronger partnerships, identifies gaps in services, and helps ensure local agencies can work together effectively when our community needs them most. YC- COAD strives to create an environment where every individual feels safe, supported, and empowered. UWYC leads the steering committee of YC-COAD comprised of York Baptist Association, American Red Cross, Habitat for Humanity, and our local Emergency Management.

UNITED WAY
York County, SC

UWYC COMMUNITY PROGRAMS

VOLUNTEER INCOME TAX ASSISTANCE (VITA)

The Volunteer Income Tax Assistance (VITA) program offers free tax help to people who need assistance in preparing their tax returns, including persons with disabilities, older adults, and limited English-speaking taxpayers. In addition to providing free tax preparation, VITA works to ensure community members receive all tax credits and deductions for which they are eligible, including the Earned Income Tax Credit, Child Tax Credit, Education Tax Credits, and Child and Dependent Care Credit. IRS-certified volunteers provide free basic income tax return preparation with electronic filing to qualified individuals.

UWYC supports the VITA program by promoting the service annually to eligible York County residents, supporting VITA volunteers, and investing $1,500 in grant funding to support this effort. **For the 2025 tax year, the VITA program filed 4,916 federal and state tax returns, resulting in more than $3,549,642 in refunds returned to filers.** This represents a significant economic impact for York County, helping residents access the tax benefits they have earned while bringing millions of dollars back into local households and the community.

STAMP OUT HUNGER

National Association of Letter Carriers “Stamp Out Hunger” Food Drive: Each year York County community residents participate in the annual Stamp Out Hunger Food Drive. UWYC partners with the National Association of Letter Carriers through our local post offices and coordinates with food banks that need their shelves stocked during critical summer months. Residents are encouraged to leave non-perishable food items by their mailbox for local mail carriers to pick up. In York County, food items were Rock Hill and Fort Mill, where **residents donated a total of 10,199 pounds of food.**

1. HOPE of Rock Hill received 1480 pounds of food
2. Pilgrims’ Inn received 1,521.50 pounds of food
3. Love N Cherish received 1,200 pounds of food
4. The Salvation Army received 919.25 pounds of food
5. Fort Mill Care Center received 3,069 pounds of food
6. City of York Post Office collected 600 pounds of food
7. Clover Area Assistance Center received 1,409.25 pounds of food
