HELPING YORK COUNTY FAMILIES ACHIEVE FINANCIAL STABILITY

UNITED WAY  
York County, SC

**UNITED WAY OF YORK COUNTY** mobilizes the caring power of our community to help low-to-moderate-income households achieve financial stability. By providing **Workforce Development, Financial Literacy, and Economic and Family Support**, we empower families to go from surviving to thriving!

38%

Of working families with at least one worker don't earn enough to cover the basics of living.

70%

Of single-female-headed (with children) households don't make enough to make ends meet.

50%

Of children grow up in a household that struggles to pay their bills.

These statistics are hard to ignore. These families are working but for far too many, the **cost of living outpaces what they earn.**

Visit our website to learn how you can join us in solving these critical community issues!
